Help for

Abortion Wounded

Hearts

The Road is long...

In the U.S., there are 1:1 million documented abortions every year and there have been over 60 million abortions since 1973. Worldwide, there are 42-50 million abortions annually. Where are all those abortion wounded hearts? Who are they pouring out their grief and pain to?

Self test for abortion wounded hearts:

1. Do you avoid the subject of abortion?
2. Is your abortion a secret from most people, even some closest to you?
3. Do you try to avoid thinking about what your baby would have been like?
4. Do you feel unforgiven?
5. Have you struggled with guilt and shame that won't go away no matter how much you repent?
6. Do you feel tied to people from your past?
7. Are you over-protective as a parent?
8. Do you struggle in your relationships, even feeling distant from God?
9. Have you experienced depression and/or anxiety?
10. Have you ever used alcohol or drugs to cope?

If you answered yes to any of these questions, then Deeper Still is for you!

Men hurt, too.

Every aborted child had a mother and a father. But how many people ever really give that much thought? Because we live in a world that insists that abortion is an issue that only women get to have a voice in, the contribution that the father of a child would or should make into that child's life has almost become a non-issue. In many cases the fathers are either not consulted, because it's assumed that they don't have a say in the matter, or their reaction is expected to be so harsh and threatening that the woman feels she has no choice but to take matters into her own hands. Sometimes the abortion is his idea. In any case, what's left is a man who fathered a child but who never made a contribution into that child's life. His child was definitely denied his or her life, but what was this father denied?

This father was denied making the kind of contribution that in part, defines a man as a man. Things like his leadership, his heart, his problem solving, his money, his reputation, his creativity, his commitment, his fight, his love, his pain, his resolve.

Deeper Still is for men, too. Men helping men... brothers.
